Delphi Round 1 Questionnaire: Open-Ended Response Questions

Q1. What do you believe is your department's philosophy of graduate student education?

Q2. What competencies are needed by first-year, tenure-track, faculty members in your department? (List your answers as specifically as possible: i.e. instead of writing "teaching skills," list the specific skill.)

Q3. What competencies are often ***lacking*** by first-year, tenure-track, faculty members in your department? (List your answers as specifically as possible: i.e. instead of writing "teaching skills," list the specific skill.)
